Papa G's Catering Services

We offer fully customizable menus and services including delivery. Weddings and events are our specialty. No budget is too big or too small. Enjoy full service or do it yourself catering. Inquire at the deli, check our website, or contact catering@papagees.com to discuss options.

Our Commitment to Sustainability

Papa G's isn't like any other restaurant. In addition to using only organic ingredients (even our spices & oils are organic) locally sourced whenever possible, we also use biodegradable, compostable to-go containers and utensils. Our deli was designed using sustainable building products like bamboo, blue jean insulation, and energy efficient lighting and refrigeration. We are completely powered by renewable energy. And because all of our food is organic, all of our food scraps get composted.

There is gluten (bread, pasta, flour) used in our facilities

We are glad to customize any order for an additional price
