Our mission is to provide a healthy future for our community and our planet. That's why all of our food is made from scratch using the freshest, highest quality organic ingredients. All of our produce, oils, grains, beans, flours, pastas, spices, breads, tofu, sweeteners, tempeh, and gluten are organic. We thank you for sharing our commitment to support a sustainable future.

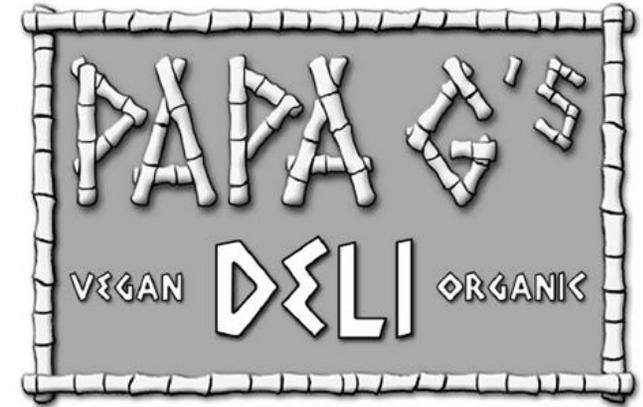

We offer full service catering, but also provide (for pick-up or delivery) several different serve-yourself deli trays that are ideal for buffet style parties or business luncheons.

In addition to being all organic, we also cater to folks with special diets and allergies (i.e. gluten-free, macrobiotic, raw, dairy-free, and more).
